SUMMER/FALL 2025, SESSION #01

***** MESSAGE FROM THE OPERATOR (SPIKE) *****

15 July 2025, By Spike Lewis, re: Monday Nights FMP, Bank Shot, 7ft. Tables

(Newest notes highlighted in red or purple)

GENERAL NOTES (Session #01):

- Well, we have another first. First, it was getting established in Bank Shot. And now, we can boast that we did our first live stream! If you go to Facebook and search for Flow Masters Pool, you'll find the recording we captured of the match on Table 2. We will continue that, but the next new twist is before I place the camera in the corner to view Table 2, I will walk around with the streaming camera in hand to capture a few minutes of you all fellowshiping and practicing prior to match start. That should be fun for the people viewing, i.e., seeing something other than a match! Next time we will stream to the Flow Masters' YouTube channel!
- Teams are allowed to do Make-Up Matches up to and including Week #5. After that, any match that you're not able to play due to lack of players will result in a forfeit. And remember, one player can always play twice, but never three times. Also, if you have three or more players present, three players must play, i.e., never one player playing twice if three or more players are present!
- We have six teams that are ready to rock and roll! But it would be nice if we could increase the team count to 8 or 10. So, do what you do to talk the league up and entice two to four more team to join. Remember, each team that you help usher in, if they hang for the entire session, I'll award you \$50.
- Lastly, I got a big chuckle from Felipe Melo, when he came to me last night and said FMP stand for “Felipe Melo Pool, right? Why, yes, it does!! 😊
- Ahhh, the memories. Click [here](#) to see pictures that have been taken for the week.
