***** MESSAGE FROM THE FMP LEAGUE OPERATOR (SPIKE) *****

01 January 2026, By Spike Lewis, re: Monday Afternoons FMP One-Pocket, Triple 9's, 9ft. Tables

(Newest notes are highlighted in red or purple!)

Flow Masters Pool League One-Pocket – the only One-Pocket league in Maryland (likely, the East Coast)!

GENERAL (SESSION #7)

- **Happy New Year.** I pray that we all made it through unscathed! With the new year comes new challenges and new roads ahead. Let's approach this new year with love in our hearts and compassion and empathy for our fellow man/woman! As the Good Book says, "Do unto others as you would have them do unto you!"
- **REMINDER: (MAKING UP MISSES):** If a player has a missed match opportunity on the books, he or she will be allowed to play a match against a "Filler" opponents to make up for their missed matches, if any. This would have two immediate benefits: the player could potentially gain points for their match if a win(s) is/are secured, and lessen the chance of not being allowed to play in playoffs due to having 5 or more misses within the session. It would also allow the league to take in additional revenue which provides for higher prize pots during playoffs. A match make-up is solely for the purpose of making up missed matches, not to play in advance. Additionally, all make-up matches must be played on Mondays, in the presence of league operators and/or active session players. (Remember, the player serving in the capacity of "Filler" secures no benefit from a win or loss unless they, too, have a missed match and would like to use the opportunity to potentially advance their position in the standings, as well!)

ADMIN/FEES (SESSION #7)

- **Match Misses.** To date, we have experienced [18] cumulative absences, totaling [\$270] in lost revenue! This revenue would go directly toward an increase in playoff award fees. Make-up can be done to alleviate this deficit! (See the new rule above.)
- **Green Fees.** Beginning January 1, 2026, Triple Nines management raised green fees to \$10 per table. The good news is FlowMasters is paying your table fees, so in essence, you are playing in the league for \$5. And with the payouts during playoffs, you can easily surmise that I am running the league for peanuts! But, sometimes, it's all about love more than profit! To date, we have paid Triple Nines a total of [\$208] for Green Fees for table use.
