**(Newest notes highlighted in red or purple)**

## GENERAL NOTES (Session #02):

- **Happy Holidays to all pool players!** It’s hard to believe the holiday period is among, but nonetheless another year has passed. Thanks be to God for allowing us to see yet another year of celebration! I pray for all to have good fortune and good health, both for you and your loved one!
- **We do play on Monday, 29 December 2025!** For many of you, this period represents a small vacation from work. And with that time comes a little boredom. Playing pool during this period is a great way to boost your spirit even more! So, yes, we will be playing during the holiday period!
- **Welcome to Session #2. And with that, let’s welcome the following new players to the league:**

○ Vince Trillanes	Bruce Lowden	Matthew Buonantuono
○ Henry (Lee) Plummer	Nomi	Ellie Zuess
○ <b>Jay Lee</b>	<b>Jerry Rogers</b>	<b>Leon Johnson</b>
○ <b>Santos Cruz</b>		
- **Make Up Matches.** Teams are allowed to do Make-Up Matches up to and including Week #5. After that, any match that you’re not able to play due to lack of players will result in a forfeit. And remember, one player can always play twice, but never three times. Also, if you have three or more players present, three players must play, i.e., never one player playing twice if three or more players are present!
- **Ahhh, the memories.** Click [\[here\]](#) to see pictures that have been taken during Week #3 (22 Dec).

## WINTER/SPRING 2025/2026, SESSION #02

- Rules Highlights.

- Let's look at and be reminded of Rule 10.6. The last sentence applied last night. It reads:  
"Three-Fouls. If a shooter commits a foul three times in a row without making an intervening legal shot, the result is a loss of game. The three consecutive fouls must occur in one game; fouls do not carry over to the next game. After the 2nd foul has been committed, the opponent must verbally warn the shooter that they have committed their 2nd foul and that a 3rd foul will result in a loss of game. If a foul (or scratch) occurs in the act of breaking the balls, that does not count toward the 3-foul rule."

Rule 19.2 says: "19.2 Any team joining late, i.e., being added within the 5-week window, will be awarded match, game, and team points as follows:

- Matches Won: Team will receive one (1) point less than the team with the lowest matches point total. If the lowest matches point total is zero (0), the new team total will be zero.
- Matches Lost: Team will receive one (1) point more than the team with the highest (worse) matches point total.
- Games Won: Team will receive one (1) point less than the team with the lowest games point total. If the lowest games point total is zero (0), the new team total will be zero.
- Games Lost: Team will receive one (1) point more than the team with the highest (worse) games point total.
- MVP Points: No points will be assigned to new team players. Even though they are coming in one to several weeks behind, there are likely existing players that have amassed zero MVP points.
- Admin Points: The new team will receive a point total equal to the best admin point award."

### ADMIN (Session #02):

- The following players need to fill out a Player Registration Form:
  - Nomi
