SPRING/SUMMER 2026, SESSION #03

***** MESSAGE FROM THE OPERATOR (SPIKE) *****
26 August 2026, By Spike Lewis, re: Monday Nights FMP, Bank Shot, 7ft. Tables

(Newest notes highlighted in red or purple)

GENERAL NOTES (Session #3):

- Once again, we finished with a really good regular session. No glitches, no hiccups, no drama! I love it! Good job done by all! Now, we move into playoffs, where all teams participate in the event, not just a select few, as in other leagues! **THIS IS BIG!**
- For Playoffs, we will try to finish as quickly as we can, and that means, this time, we will allow teams to play against each other outside of the regular Mondays, prior to the actual playoffs start date, which is Monday, 31 August 2026. As usual, we will begin our playoffs with a mandatory teams/players meeting.
- If we can get a fair amount completed, it might allow us to finish up on that first Monday of playoffs. If we need to continue, the next round will be held on Monday, 14 September 2026, with practice at 6, and play starting at 7 pm.
- New Session Start. We will take a slightly longer hiatus, due to my upcoming surgery, and then restart the new session Session #4 on 19 October 2026. Please mark your calendars and begin your recruitment campaigns for more players and more teams!
- WE WILL BE COLLECTING MONEY DURING PLAYOFFS IN ORDER TO HELP BOOST PRIZE MONEY PAYOUTS!**

ADMIN (Session #03):

- Team #8 (Rack Rebels) has a credit of \$5. Please use it during the next week of playoffs.
- Team #9 (Rack Ruin) has a credit of \$5. Please use it during the next week of playoffs.
- In essence, we are shortening the session by a week or two. This has a negative impact of not taking in the amount of money we did last session. There fore the payout pots will be a little shorter than previously (but not be much)!

FMP FEES/ANNUAL DUES (Session #3):

- Nothing Significant to Report (NSTR).

Continuation on September 14, 2026.

This time, teams will be allowed to play early if possible.

You can play your match on any day you and the other team agree. There must be complete agreement.

I recommend “renting” a table to ensure that the table is guaranteed for your use without interruption.

I would guard against trying to play early before the start of a league night for APA or TAP because you might not have time to finish.

Report any match play results to me via text as soon as possible.

A blank Masters Scoresheet is attached below and should be used for early match play. Captains are advised to print a few in advance.

We will pick up on 31 August 2026 from where things are.

We will quickly go over the rules – mandatory – so we can get started. If there aren't many questions, we'll get started right away.

End of session prize money and any other resolved playoffs money will be handed out on 31 August.

Picture trophies will be done if everything is finalized prior to my surgery. If not, they will be done as soon as I am able to get back to the computer.
