***** MESSAGE FROM THE FMP LEAGUE OPERATOR (SPIKE) *****

17 September 2025, By Spike Lewis, re: Monday Afternoons FMP One-Pocket, Triple 9's, 9ft. Tables

(Newest notes are highlighted in red or purple!)

Flow Masters Pool League One-Pocket – the only One-Pocket league in Maryland (likely, the East Coast)!

GENERAL (SESSION #6)

- **Update.** Hopefully, on next Monday, we'll see two or more tables having been resurfaced, including the rails, completed. I expressed to Gemma again (she agrees) the importance of having an appearance that the venue cares about the tables. And with that, they need to advertise, like here and on Facebook, that the tables are newly resurfaced and the rails have been replaced. I will do the same in advertising. And I ask that you do your part to convey that point, as well!
- **The real point:** we need to use those facts to attract more participants in our upcoming session. With the Fall and Winter months approaching, I'm hoping that people will want to come back to do things indoors again, including playing One-Pocket with us! Spread the word! Entice folks to play this upcoming session and beyond!
- Oh, and please buy food and/or a drink when you play. It helps the venue stay viable! Please pass the word on. Now that the tables are being refurbished and we are headed into the Fall/Winter months, maybe participation will grow!
- Let folks know that FMP One-Pocket is the only One-Pocket league in Maryland. And as more pool players in the area participate, the end of session pots will also grow. Spread the word!!
- **Suggestions are Welcomed.** As always, if you have suggestions, I would like to hear them. Your suggestion might make a world of difference! You can send comments to me by text (410-440-6317) or by email (flowmasterspool@gmail.com).
- **One suggestion that comes in from Bruce Lowden, and is worthy of discussion, is to: allow players to play matches against "Filler" opponents to make up for their missed matches, if any.** This would have two immediate benefits. The first is that players could potentially gain points for matches that were missed, thereby moving up the ladder if a win is secured. They would also have an opportunity to lessen the chances of not being allowed to play in playoffs due to having 5 or more misses within the session. The second benefit is that it allows the league to take in additional revenue which, in turn, provides for higher prize pots during playoffs. I could see permitting this under two conditions: 1) that its purpose is solely to make up for a missed match or matches (not to play in advance), and 2) that all make-up matches are played on Mondays, in the presence of league operators and/or

active session players. (Remember, the player serving in the capacity of "Filler" secures no benefit from a win or loss unless they, too, have a missed match and would like to use the opportunity to potentially advance their position in the standings, as well!) Text me and tell me what you think about this idea, as I would like to implement it, if the notion receives favorable commentary. Let me hear from you! If implemented, I owe Bruce a drink of his choice (within reason 😊). Text me!

ADMIN/FEES (SESSION #6)

- **Match Misses.**
 - To date, we have experienced [15] cumulative absences, totaling [\$225] in lost revenue! This revenue would go directly toward an increase in playoff award fees.
- **Green Fees.** To date, we have paid Triple Nines a total of [\$424] for Green Fees for table use.

ANNUAL FMP DUES (SESSION #6)

- **Annual dues (\$35)** are due for the following players:
 - Nothing Significant to Report (NSTR).

AHHH, THE MEMORIES (SESSION #6):

- **No pictures collected for this week.**
